

Our planning!

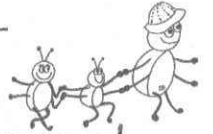

Week commencing - 3.9.12

In the house we will...

- follow our 'back to school' theme including lots of role play, reading books, writing and crafts
- follow our personal interests

On our outings we will...

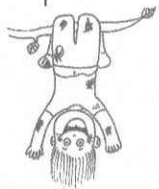

- look at the world around us in the local area
- focus on road safety
- visit the park + feed the ducks

All the children will be involved in a mixture of group and individual play experiences, some of which they plan for themselves and some of which is adult led or adult guided depending on their needs. Please see our planning file, your child's Learning Journey folder or ask us for more information.

In the garden we will...

- explore sand + water (capacity, weight etc)
- use bats + balls
- follow our personal interests

Our special activities and experiences include...

Our special book - back to school

Our special song - ABC 123

- Other focus activities - caring for our books with Tom + Rosie
- moving safely in the house
